

§ 245.12

7 CFR Ch. II (1–1–05 Edition)

authority program compliance as required under §§ 210.19(a)(4) and 220.13(k) of this chapter.

(i) No later than March 1, 2005 and by March 1st each year thereafter, each State agency must collect annual verification data from each school food authority as described in § 245.6a(c) and in accordance with guidelines provided by FNS. Each State agency must analyze these data, determine if there are potential problems, and formulate corrective actions and technical assistance activities that will support the objective of certifying only those children eligible for free or reduced price meals. No later than April 15, 2005 and by April 15 each year thereafter, each State agency must report to FNS the verification information in a consolidated electronic file that has been reported to it as required under § 245.6a(c), by school food authority, and any ameliorative actions the State agency has taken or intends to take in school food authorities with high levels of applications changed due to verification. Contingent upon new funding to support this purpose, FNS will also require each State agency to report the aggregate number of students who were terminated as a result of verification but who were reinstated as of February 15th. The first report containing this data element would be required in the school year beginning July 1, 2005 and each school year thereafter. State agencies are encouraged to collect and report any or all verification data elements before the required dates.
